# About SPICE 2K22

Sathyabama Project Innovation Competition and Exhibition (SPICE 2K22) is a Inter-Departmental Project Competition, organized by School of Computing to encourage students to apply their knowledge, skill, passion, and creativity to technology solutions that can make a difference to the world today.

## Technical Event PROJECT MANIA

The project competition is exclusively designed for engineering students, providing them with an opportunity to showcase their technical skills, innovative ideas, and problem-solving abilities. It serves as a platform for students to demonstrate their talents and gain valuable experience in project management and teamwork.

# Non-Technical Event

## TECH CANVAS

The poster making competition is an exciting opportunity for engineering students to showcase their creativity and design skills. This competition allows students to express their ideas visually, while promoting teamwork and healthy competition amongst peers.

### DATE

The events occurred on the 29th and 30th of August 2022.

### PRIZES

Exciting prizes awarded to the first, second, and third winners, as well as several consolation prizes for other participants.

### TIME

The events started at 9am in the morning and ended at 3pm in the evening on each of the two days.

### ELIGIBILITY

Only engineering students were allowed to participate, with a maximum of three members per team. There was a registration fee of Rs. 100 per team.

# INAUGURAL CEREMONY

The event's inauguration was led by Dr. B. Bharathi, the Dean of Academics, accompanied by the Heads of the Departments, Dr. L. Lakshmanan and Dr. S. Vigneshwari. The ceremony commenced with a warm welcome address, acknowledging the distinguished guests and emphasizing the significance of the occasion.

Their inspiring words set the tone for the rest of the event.

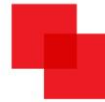

# OUR GUESTS OF HONOUR

Acknowledging the esteemed dignitaries who graced the occasion with their presence and contributed to its success.

**Mr. Nandha Kumar**

Project Manager,  
CISCO Ltd.

**Mr. Vennimaal**

IT Analyst,  
TATA Consultancy Services

**Mr. Balamurugan Jalakandan**

Head Central Quality,  
WIPRO Technologies.

“ Being technically proficient alone is futile if one cannot effectively communicate those skills. Students must devote equal attention to soft skills as they do to textbooks and programming courses. ”

- Mr. Nandha Kumar

# UNLEASH YOUR POTENTIAL

“Embrace the opportunities presented to you. Chase your passions relentlessly, learn continuously, and never be afraid of failure. With persistence, dedication, and hardwork, you can achieve anything. Keep pushing forward and make your dreams a reality.”

- Mr. Balamurugan Jalakandan

Dr. Mary Posonoia and Dr. Anu Bharathi, professors from the Department of CSE, conducted an evaluation of Techcanvas event posters to assess the effectiveness of the posters in conveying information and attracting potential attendees.

Dr. Ashok Kumar, professor from the Department of CSE, enriches all by sharing experiences. Sharing spreads knowledge. Gratitude for your contribution to teaching.

Dr Ankayarkanni from the CSE department and Dr Jebarani from the ECE department evaluated the project ideas. Their expertise in their respective fields ensured that the chosen projects are both innovative and technically sound.

Dr. Sathyabama motivated her students with her inspiring speeches. Her talks left a lasting impact on her students, encouraging them to strive for success and reach their full potential.

The students presented their project proposals to Dr. Vigneshwari, head of the department, as well as a panel of experts for feedback and evaluation.

Dr. Albert Mayan, a dedicated professor, who consistently strive to enhance his students' skills, interacted with the students, discussed ways to take their projects to the next level, helping students develop their ideas further and achieve their goals.

# The Happy Ending

As this event comes to a close, we are reminded that the beauty of collaboration knows no bounds. Seniors and juniors came together, worked hand in hand, and paved the way for a brighter future. Let's continue to build bridges, break down barriers, and work together towards a common goal. The possibilities are endless when we work as one. Here's to more successful collaborations in the future!
